Wednesday 24<sup>th</sup> April 2019

Dear Parents/Carers,

I thought I would take the opportunity to welcome you back as we move into the final term of the year.

If I could firstly remind you of uniform expectations and the importance of ensuring your child has their PE kit with them on PE days.

As the weather warms up it is also essential a water bottle is brought to school and when required, sun cream applied.

Furthermore, it is vital that our children continue to read regularly at home, bringing their school book in every day. The activity room will continue to be open on a Tuesday and Thursday morning for you to hear your child/children read. Staff members will be present to issue raffle tickets and to support where possible with changing books.

During the final week of last half term a 'Parents Information Evening' was held where I shared a picture of recent Year 6 results at Carleton Park. Julian Appleyard (CEO of the Pontefract Academies Trust) and Tom Fay (Director of Teaching & Learning) also spoke regarding positive changes that have been made this academic year both at Carleton Park and across all Trust Schools, along with exciting future plans.

It was lovely to see so many of you attend the session and share your positive comments about how we are moving the school forward this year. If you were unable to attend feel free to approach me on the playground or make an appointment to discuss any points from the night.

Finally, we look forward to a busy and exciting half term and with your continued support I am sure it will be a positive one!

Thank you,

**Mr J Ayre**  
Head of School
