

# Carleton Park J & I Weekly Newsletter

Week ending Friday 17<sup>th</sup> April 2020

Parents/Carers,

I hope that you and your families continue to be safe and well. We are now 4 weeks in to this unprecedented time and have just experienced one of the strangest Easter breaks I am sure we will ever experience. Again, as so many of you are doing though, it is a time to demonstrate our unwavering commitment to the cause, following government guidance, staying at home and supporting the NHS.

I know that we will all have been inspired by WW2 veteran Captain Tom Moore and his efforts to raise funds for the NHS (over £18m this morning) as he has walked around his garden in the lead up to his 100<sup>th</sup> birthday. He is an example to us all. You can follow him on Twitter @captaintommoore #TomorrowWillBeAGoodDay.

Please continue to keep an eye on the Carleton Park website, phone calls from teachers, this weekly newsletter and our school Facebook page for the latest updates and news.

Stay safe everyone - Mr Ayre

## Pastoral phone calls

Our second round of phone calls have now been completed! There has been fantastic feedback from yourselves which is great and again we continue to do all we can during this time. Your thank you emails to the school admin email have been shared with all staff and are greatly appreciated – if you still have not received a phone call please contact the school via the admin email so we can rectify this immediately.

\*If you have not been contacted this week – please contact the school's admin email listed above.

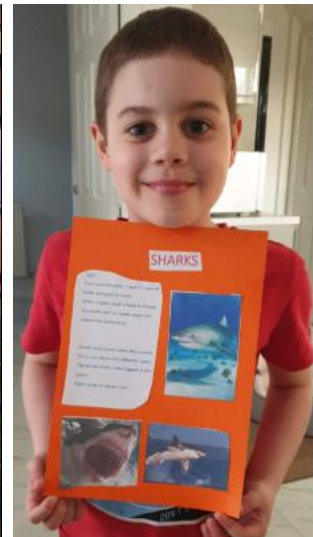

## Updated Home Learning Packs

New learning packs have been added to the school website and are available to download: <https://carletonpark.patrust.org.uk>

If you have any issues with downloading the home learning packs please contact us via the school admin email listed above.

## Easter Activities

I hope the Easter break has been one of celebration, CHOCOLATE and quality family time. Though there has been no expectation to complete work over the Easter period, the feedback received from the online survey suggested activities and ideas were welcomed. It has been great to see our children engaging with these and once again sharing photos via our admin email address to display on the school Facebook page.
