

# Carleton Park J & I Weekly Newsletter

Weekending Friday 15<sup>th</sup> May 2020

Dear Parents/Carers,

You will have now received the Trust communication, which was sent out earlier today informing you of some key developments regarding the proposed reopening of schools for specific year groups from the week commencing 1<sup>st</sup> June.

I would like to take this opportunity to reiterate the key message within the previous letter; Carleton Park J & I School is making rigorous and robust steps to ensure the safety of our pupils and staff. One of the earliest steps in this process is to be clear on the number of children we are to expect back in school – please complete the short survey available here <https://www.surveymonkey.co.uk/r/W26YBQG> by no later than **Monday 18<sup>th</sup> May 2020 at 12pm.**

Thank you in advance for your cooperation in this process – it really is appreciated.

## Teacher Challenges

### Challenge #2 Winner...

Miss Worsnop set an active challenge and then shared her own superb video! This challenge gives you the opportunity to create your own paper aeroplane (not as easy as it looks) and have a bit of fun with the family. You could also get some active maths by counting your steps, multiplying them by different numbers, working out a cumulative total of steps for either yourself or the whole family – plus many more creative ideas!

### The winner of challenge 2 was... Gio Year 5

Gio listened to our advice and added extra parts to his challenge by speaking in different languages, his enthusiasm and effort were clear to see. Well deserved Gio and you should have now received your prize!

### Teacher Challenge Prizes £!£!

**Amazon vouchers** will be sent out to the winner of the challenge.  
The winner will be decided by the staff member who posted the challenge!

\*Continue to check when the challenge goes live and test yourself, it may be something sporty, musical, artistic...

**Keep your eyes peeled for the next challenge...**
