Welcome Back 😊

Following the decision by the Prime Minister last weekend and the new lockdown, I wanted to take this opportunity to write to you and reassure you of the meticulous approach we have at Carleton Park, with all the strict and highly effective infection control measures we implement on a daily basis.

Since the school reopened in September, we have made a conscious effort to maintain the high standards of our risk assessment, which was validated by an external specialist company, in all areas of school. Consequently, we diligently follow all these procedures of infection control as we continue to battle the virus. As ever I thank you for your support with this.

Create a Poppy Challenge

Thank you to everyone who engaged in the 'Create a Poppy Challenge' over half term, we received some fantastic designs which have been sent to the Pontefract Civic Society. The poppies have joined collections from across the Pontefract Schools and can now be seen on display outside Valley Gardens in Pontefract! **Well done Team Carleton Park!**
