School Reopens Monday 8th March

Following the government's announcement on Monday evening, we were extremely excited to hear that we are able to welcome all our children back into school on the 8th March. Throughout the week the staff and I have been working tirelessly to ensure a smooth transition back into school for our children.

In essence:

- The school is open for ALL our children on 8th March and attendance will be statutory.
- The arrangements for pupil drop off and pick up will revert to those in place during the Autumn term.
- Breakfast provision for those who previously booked it will recommence.
- After school clubs will be phased back in over time.
- Robust Covid -19 control measures will be in place throughout the school to mitigate any risk and keep everyone safe.
- It will be expected that all parents/carers support the school during our full re-opening and adhere to the social control measures put in place.

I would like to share my appreciation for your efforts since January 5th. It has not been an easy time for anyone and your commitment to provide the best education possible for our children has been admirable. We are certain as we did in September that our curriculum offer will not only catch up children's lost learning but rapidly accelerate it too. The Carleton Park team are chomping at the bit to have our children back in the building and to begin making up for lost time. Lockdown has certainly proven that at Carleton Park we are in this together, the community support has been second to none! As we move closer to Monday 8th, please remember we are here to support you. Further communication regarding logistical arrangements will be communicated next week.

Live lessons Friday 5th March

Please note that there will be no remote/live lessons next Friday 5th March. This is to allow our staff time to fully prepare for Monday's full reopening. Children will still be expected however to complete work from their resource packs; however, they will not be required to submit any work on Friday. Instead, can we ask that they bring their resource pack into school with them on Monday to give to their class teacher.

World Book Day 4th March

On Thursday 4th March we will be celebrating World Book Day, reading at Carleton Park is at the heart of our curriculum and children are encouraged to read throughout the day when in school. It is great to get involved with the day through activities that will be included in next weeks learning packs and also dress up as favourite book characters, whether your child is attending school or working remotely.

Attendance Matters at Carleton Park!

Phonics

For Reception and Year 1 parents, specific phonic resources and online videos / links will be sent to you directly on Class Dojo from your child's teacher. These resources will be based upon the phonics stage your child/children are currently working at. Please contact your child's class teacher directly if you have any questions with regards to this phonic support.

Remote Learning Summary Points

- Make sure your child/children are ready in good time for their lesson
- Ensure the device your child uses to attend remotely is fully charged.
- You have the right links ready to click on or manually type into your browser.
- Contact the school if there are ANY problems relating to remote learning. The average resolution to remote learning issues when dealt directly with the school was less than 10 minutes.
- Please make sure your camera is switched on so that the teacher can identify who is attending the session.
- Please make sure your microphone is muted so that the teacher can communicate with the class clearly.
- All work completed is submitted onto class Dojo for the teacher to mark and direct further learning.

If you continue to struggle to access the remote learning lessons, please do not hesitate to ring the school and we will be on hand to 'walk you through' the process and provide additional support if you need it.

You need to be reassured that school are here to help you wherever we can, and not just in dealing with issues relating to remote learning. We have additional learning and support packages for families that may help them cope with the emotional and well-being aspects of being at home. Just contact the school on admin@carletonpark.patrust.org.uk if you wish to talk to someone.

Home Support and Homework

The learning journey of each child is more successful with a productive partnership between home and school. You can help by:

- Listening to your child read at least 4 times a week. Ask questions about what you have read together, can they retrieve and use information they have just read?
- Help them with their timetables and the fundamentals of adding, subtracting, dividing and multiplying numbers.
- Ensure they complete their homework or spellings they may have to learn each week.
- Discuss what they are learning in school – is there any way they can continue to learn topics at home in more depth?
- Communicating directly with their teachers via ClassDojo
- Requesting further support from the school via admin@carletonpark.patrust.org.uk

We appreciate all the support you can provide at home! All the above is not compulsory but advisory depending on your personal circumstances.

Staying Safe and Well...

Safety Card: TikTok

Formally known as Musical.ly & Live.ly, TikTok is a free social media platform used to create and share short videos. TikTok rules require the user to be 13 or older to use it and with parental consent if you're under 18. Users are able to create videos of themselves lip-syncing that can last up to 60 seconds. You are able to watch other user's streams & videos, you may be exposed to inappropriate content.

Stay safe on TikTok using the instructions on their Digital Wellbeing section, blocking & reporting below.

Digital Wellbeing

Set up Restricted Mode, Screen Time Management & Family Safety Mode on your TikTok app.

- ▶ Tap on in the bottom right corner of the app.
- ▶ Tap on & then select **Privacy & Safety**.
- ▶ Scroll down and tap on **Digital Wellbeing**.

Block

Block a user using these simple instructions:

- ▶ Go to the user you wish to report.
- ▶ Tap on
- ▶ Tap on **Block** and then confirm.

Report

Report a user using these simple instructions:

- ▶ Go to the user you wish to report.
- ▶ Tap on
- ▶ Tap on **Report**.
- ▶ Then select why you are reporting.
- ▶ Select the part of the users profile you want to report, provide some detail and click **submit**.
