Parents / Carers,

Covid-19 Cases

As you are all aware, following the half term break we have had positive Covid-19 cases within school. I wish to reassure you that as a school, we are working closely with Public Health England to reduce the spread of the virus. We are robustly following our school risk assessment and are acting in line with government guidance at all stages of the process.

Your support and understanding with this is appreciated and I urge you to continue to follow government guidance whilst away from the school setting. We all have a collective responsibility to keep our school community safe.

Football Kit - Donation

This week we have received an overwhelming donation of a brand new, school football kit from the **Pontefract Wildcats Girls Football Club**. We have strong links to the club that are both personal to myself as well as a number of children within the school who represent various age groups. The image of the kit being handed over has been shared on our school Twitter page [@carletonparksch](https://twitter.com/carletonparksch) the children are excited to be able to wear it in the not so distant future!

Cross Country Event

Our KS1 / Year 4 cross country event was rearranged and held on **Wednesday 9th June**. The weather was far warmer but as ever our resilient and determined pupils set about the course with a real focus. For many of them, personal bests were achieved – what a feat!

Stay safe and enjoy the weekend everyone!
