Parents / Carers,

Government Announcement

As you are all aware, on Monday 14th June the Prime Minister announced that there would be a 4-week extension to the current National restrictions. There is of course an impact on schools which, as a Trust, we are currently working through. The immediate concerns are around the attendance of parents / carers at Sports Day and Year 6 leaver events.

Unfortunately, for obvious reasons, the Summer Fayre will not be able to go ahead.

As a Trust, the safety of our pupils and school community is paramount. Further communications regarding the afore mentioned events will be circulated in the coming days.

Key Dates are attached further down the newsletter 😊

SUMDOG Contest

This week pupils in Years 2-6 have taken part in our first SUMDOG contest against 40 other classes across the Pontefract Academies Trust primaries. Pupils had the chance to answer a maximum of 1000 questions to help their class increase their average score. A special mention to George and Poppy in Y3; their scores put them at the top of the pupil leader board. Well done!

Year 6 Science Event

On Thursday 17th June, our Year 6 children enjoyed the first of 3 science transition sessions. First up was biology and a practical heart dissection. **"It was a fun experience, I really enjoyed it!"** (Freya) **"I thought it was going to be disgusting but I quickly got used to it."** (Imogen) **"We got to cut it open and examine the inside of a heart- it was really interesting."** (Billy)

Stay safe and enjoy the weekend everyone!

 Lots of outdoor learning took place today at Carleton Park. The school field provided an excellent location for Year 1 to develop their observational drawing skills using viewfinders to document their surroundings. #artcurriculum #observationaldrawing #holisticeducation 🎨📖

 Themed learning. Reception children enjoyed being aeroplanes today. The aim was to safely collect and transport as many 'bean bag passengers' as they could. #cognitivedevelopment #spacialawareness #fun #EYFS 🛩️🧺

 Year 6 Science Transition Learning Experience. Year 6 pupils welcomed Biology teachers from @PATCarletonHigh today to learn about the structure and function of the heart. Pupils worked in small groups to dissect a heart in the classroom. They were fascinated! #biology #ks3 📖📐
