Carleton Park J & I School WEEKLY NEWSLETTER

CARLETON PARK
JUNIOR & INFANT SCHOOL

Friday 5th November

Parents / Carers,

Our pupils have returned superbly well this week following the half term break. The school *Star of the Week* focus has been 'Being Ready to Learn'. Being successful with this focus included: arriving at school on time, giving adults immediate attention when asked, as well as lining up sensibly both at break and lunch times. It has been extremely difficult to decide as the standards around school have been exceptional!

Peter Mata'utia - Visit 😊

Our Year 5 & 6 pupils were lucky enough to receive a motivational visit from Peter Mata'utia this week as he discussed his inspiring story and the adversities he had to overcome to be successful. Our children were the most invested groups that Peter said he had ever worked with!

His moving messages already seem to have made a positive impact upon our pupils and we are excited to hopefully see him return in the Spring term to check on our pupils' progress!

Park & Stride Scheme

We are a half term in to the Park and Stride scheme that has seen the children very excited by our new bike shelter and scooter rack. In order for the project to be safe and successful, the onus is on you as our school parents and carers to support us. The way you can support our children and community is by walking to school where possible and parking in the Carleton Pub car park both at drop off and pick up times.

Road Safety / Scooter Training / Bikeability

As we have introduced the Park and Stride scheme at Carleton Park, it is enormously important for our children to be safe as they travel on their bikes and scooters to and from school. Road safety, scooter training and bikeability sessions have begun with some year groups and there are further sessions planned for others.

Have a great weekend everyone and stay safe if visiting any bonfires.
