Dear Parents / Carers,

Happy New Year! I trust your Christmas break was restful and enjoyable? At Carleton Park we have hit the ground running from Tuesday as we welcomed our pupils back.

Attendance

It has been excellent to see our attendance this week remain well above National expectations. As a school we appreciate the difficult times we are facing but are all too aware of how absence can affect pupils both socially and academically. Our office staff have worked tirelessly to offer support over the phone this week, ensuring parents / carers are aware of the latest government guidance as well as supporting with accessing online sessions for those isolating.

Please note - children should be in their class line ready to enter the building for 8:45am. The first sessions of the day are often the most important as they set the tone and expectations for the day.

Year 5 Cinema Trip

Year 5 children attended the Pontefract Library cinema this morning as their treat for having the BEST class attendance last term! Photos have been shared on our school Twitter page @carletonparksch if you have not already followed us on Twitter please do so for regular photos and updates of events / activities in school!

Family Hubs – Parent and Carer Consultation

Wakefield Council are creating 9 Family Hubs that will work with families with children from pre-birth to 19 years (or 25 years with Special Educational Needs and Disabilities (SEND)).

The existing Children's Centre bases will become 'Family Hubs' and will connect with local community and statutory services to build a comprehensive offer of early help and support for the whole family in each of the six cluster areas in the district. The council are keen to engage with parents and carers to understand what support programmes they would like to see available from each of the Family Hub locations, and to identify what services would help the most. Therefore, we are asking parents to complete an online survey in order to reach as many families as possible. Please click <https://forms.office.com/r/HHJZCEMpyq> to take part.
