Dear Parents / Carers,

At Carleton Park we have had another action-packed week, with pupils striving to receive the Star of the Week certificate for working hard on their spellings. After an initial assembly on Monday to introduce the school focus, pupils have worked tirelessly, taking pride in their written work and keeping a keen eye on spellings!

## Attendance

School attendance has been fantastic this week - we are extremely proud of the support and commitment you as parents / carers have to your children's education. Attending school regularly does not only have positive benefits academically but also socially. As a school we work very closely with families on attendance and look together at ways this can improve. Our school target is **98%** which is an aspirational target yet very achievable!

## Children's Mental Health Week

Next week we will be taking part in Children's Mental Health Week, pupils will partake in activities that are age appropriate to the theme of **'Growing Together'**. To further mark the week and raise awareness to Children's Mental Health, we will be holding a non-uniform day on Friday 11th February to wear a colour to express yourself. A voluntary donation of £1 can be paid to Place2Be on MCAS under 'Products'

## School's Football Week

Children at Carleton Park will also be participating in School's Football Week.

A variety of activities are planned, beginning with a **penalty shootout on Monday 7<sup>th</sup>** 😊
