### Attendance Matters

Our whole school attendance continues to remain high, thanks to your support - our parents and carers. Attending school every day is crucial for our children to make the best academic and social progress they can. To support your child's attendance at school it is important that they are in their class line on the playground at 8:40am, at 8:45am their class teacher will lead the children into the classroom together. This routine is key as children settle in for the day.

### Children's Mental Health Week

To mark *Children's Mental Health* week children across school have participated in a number of activities; from Dance on the playground at lunch time led by Miss Crowcroft, to curriculum lessons designed to discuss age-appropriate topics and ending with a 'Dress to Impress' non-uniform today. At Carleton Park we believe our pupil's mental health is key to our children having positive learning and social experiences in their school journey. Being able to talk to friends, adults and family members is integral to children feeling safe and recognising that it is ok not to be ok!

### Safer Internet Day

Each class have participated in Safer Internet sessions this week to recognise *National Safer Internet Day* on Tuesday 8<sup>th</sup> February. In school we have a number of firewall protectors to insure children are safe in school and within the sessions pupils have discussed how they can be safe at home. As parents / carers it is important to openly discuss the potential dangers children face on the internet and keep a regular eye on.

### School Uniform

The high expectations we have as a school begin with all our pupils being in school at the right time and dressed in the correct school uniform. The importance of correct school uniform has many positive impacts on our pupils; the feeling that they belong and are part of the school, that everyone is equal and that everyone follows the school rules.

**PE Kit** is part of our school uniform. The expectations remain the same for all pupils; whether they are in school uniform or PE kit as a school we expect our children to be dressed appropriately - please support us with this.
