Dear Parents /Carers,

Welcome back!

Our first week has - as always - been a busy week full of learning and activities for our pupils to take part in. The 'Star of the Week' focus this week has been our school motto:

BE THE BEST YOU CAN BE

To be the best the children can be, they have focused on 4 key areas; attendance - being in school on time every day, listening to adults - so they can make the most of each lesson, being resilient - not being afraid to make mistakes and taking pride in everything they do!

Our Monday assembly touched upon each of these areas and why they are so integral to being successful both at Carleton Park and throughout the children's educational journey.

Year 3 / 4 Squash Club Event

On Wednesday we had a small group of children participate in a sporting event at Pontefract Squash club, designed to encourage children into sports outside of school. The event was a huge success and we again are extremely proud of how Carleton Park pupils represented the school.

World Book Day

On Thursday our entire school took part in National World Book Day. The children brought in buns and books for a sale in the hall and of course dressed up in their favourite book character costumes! Children also had the opportunity to share some of their favourite books with their class and take part in an illustration competition - the winners will be revealed in Monday's whole school assembly... 😊

Parents Evening

As you will be aware the Parents Evening sign up goes live this evening! This half terms parents evening will again be virtual though we are looking into opportunities (following this round of parent's meetings) to invite parents / carers into school to look at what the children have been learning so far this year. Please look out for the dates in future communications!

Thank you all for your continued support - have a great weekend and we will see you on Monday!
