Music Tuition

Dear Parents/Carers,

We currently have some spaces available for woodwind Lessons - flute and clarinet. Lessons are conducted during school time by Wakefield Music Services.

The cost incurred is £73.00 per term, payable in advance via MCAS.

If your child would like to cease lessons, a term's notice of cancellation of music tuition is required in writing. Unfortunately, refunds cannot be issued for termination of lessons mid-term. The cut off dates for giving notice are:

- By October half term for finish by Christmas
- By Christmas holiday for finish at February half term
- By February half term for finish by Easter
- By Easter for finish at May half term
- By May half term for finish at Summer

Remissions policy:

For pupil premium students, those whose parents are eligible for Income Support or Income Based Job Seekers Allowance or children in receipt of Free School Meals, a partial/full remission is/may be available for a shared lesson on one instrument only.

Please note that places are limited. If your child is interested, please contact the school office either by phone or email.

Yours faithfully,

Mr J Ayre
Headteacher
