Dear Parent/Carer,

### **Seasonal Flu vaccine offer – Reception to Year 6**

The seasonal flu vaccine is part of a national health programme to protect children, their families and communities. For more information including possible side effects please visit: [Flu vaccine - NHS](#)

**How to consent:** We are coming to your child's school on **Thursday 2<sup>nd</sup> October** please ensure that you have submitted a form even if you do not consent, by **Tuesday 30<sup>th</sup> September**

Please click on the link below or scan the **QR code** for the online consent form. You will need to use the unique school code **WF140337** to complete the consent form as soon as possible. You will need to submit one form per child.

### **Does the nasal spray contain porcine?**

Yes, but it is a very purified version which is barely detectable and because it is for medical purposes, it has been deemed permissible for use by the British Fatwa Council. We can offer an injectable vaccine alternative that **DOES NOT** contain porcine. This vaccine is only administered in those that require it for medical or cultural purposes. ***For primary school aged children, those having an injection need to be accompanied by a parent.***

**After submitting consent, if your child attends the GP for the vaccination, you change your mind or if there are any health changes, you MUST contact us on the number above.** (Please note that GP practices do not routinely offer Flu vaccinations to healthy children)

Providing you enter a correct email address, you will receive email confirmation when your child has received their vaccination, including information and advice about common side effects your child may experience.

**Support in accessing or completing a form:** If you experience any problems accessing or completing the online form, please contact us on the above telephone number and our team will be happy to help.

Yours faithfully
