### Music Lessons in School this Academic Year

Dear Parents and Carers,

We are pleased to let you know that, from this academic year, we have made the decision to use Rocksteady Music School as our provider for individual payable music lessons.

Rocksteady offers fun and inclusive rock and pop band lessons for children aged 4–11, with no prior musical experience necessary. Lessons take place during the school day, and all instruments are provided. Children can choose to play vocals, keyboard, drums, guitar, or bass, and they'll learn songs they love in a fun and supportive band setting.

Rocksteady operates on a rolling monthly subscription, which you can cancel at any time, and includes a money-back guarantee for the first month. The subscription ensures at least 33 band lessons across the academic year (September to July).

Their unique curriculum includes over 300 musicianship, performance, and instrument skills, and children can also gain an exam-free, Ofqual-regulated Trinity Music qualification.

Guided by highly trained Rocksteady Band Leaders—who are all professional musicians—pupils develop their musical ability, boost their confidence, and perform in end-of-term concerts. Rocksteady currently works with thousands of primary schools across the UK, delivering lessons that not only teach music but also promote self-belief, support wellbeing, and help children thrive in the classroom.

We are excited to bring this opportunity to our pupils and look forward to seeing them flourish musically and personally.

Further information on how to sign up will be shared shortly. In the meantime, if you have any questions, please do not hesitate to get in touch.

Kind regards,

*M. Winter*
